

Dear Pastor,

We would like to introduce you to MamaKnowsBest.net – a free, unique online resource for mothers, created out of a desire to provide support and encouragement for mothers from all walks of life.

Many mothers report feelings of isolation as they face the daunting and challenging responsibility of raising children. Where do they turn for help when they need advice, information, or encouragement?

The idea behind Mama Knows Best is to pool the wisdom of many into one “jackpot” of motherly tidbits. From things as practical as recipes and cleaning tips, to pregnancy, breastfeeding, education concerns, discipline issues, marriage encouragement and more – Mama Knows Best has quickly become a place where mothers can fill their tanks with the strength they need for the day, find inspiration for fun activities they can do with their children, get help on practical issues such as diaper rash or the flu, and so much more.

We would like to encourage you to consider how the ladies in your congregation may be edified by participating at Mama Knows Best. Many can be blessed from reading what has already been posted, and many can be a blessing by posting for the benefit of others as well! Younger mothers in the thick of raising children may have practical tips of things that are working for them that they can pass on. Older mothers have gained perspective and wisdom that younger mothers need to hear! What a fabulous way for them to put Titus 2:4-5 into action!

We invite you to visit MamaKnowsBest.net, and if you find it to be a valuable resource, to recommend it to the ladies in your congregation. You may consider posting the Mama Knows Best flyer on your church bulletin board, and if you have a moms group or a ladies Bible study, please consider passing this letter and information on to the person responsible for those ministries. We would be happy to answer any questions you have, and look forward to hearing from you, or perhaps seeing you on the site.

Thank you for taking the time to read this letter.

Warmly,
Elizabeth Tsukayama
